## INTRODUCTION

### Dear Friends,

Greetings from KAHER Institute of Nursing Sciences Belagavi, Karnataka. It's our immense pleasure to invite you to the National Conference on "FOSTERING INNOVATIONS IN MIDWIFERY: MOVING FORWARD IN MATERNAL AND NEWBORN CARE" which is scheduled on 22<sup>nd</sup> and 23<sup>rd</sup> March 2024.

### About the Host:

The KLE Society was established in 1916, and has over the years established itself as a rising star in the field of education and healthcare. The great visionary efforts Dr. Prabhakar Kore, Chairman KLE Society since 1985 have been pivotal in deciding to march ahead into a new millennium as an autonomous University, thereby opening up the unexpected horizon in the field of education. The KLE Academy of Higher Education & Research was established on 13<sup>th</sup> April, 2006 as per the Ministry of Human Resource Development, Government of India, under the recommendation of University Grants Commission. KAHER is accredited with A+ Grade by executive committee of NAAC and is placed in "A" category by MoE (GoI). Institute of Nursing Sciences is a constituent unit of KAHER established in the year 1987. Institution aims to be center of academic excellence and research in the country, aspiring to achieve high level of quality nursing education, practice and research in par with the global community. It offers Undergraduate, Postgraduate program, Nurse Practitioner in Critical Care Program and Ph.D. in Nursing.

### About the conference

The National Conference is a unique event in our organization which will bring together the leading speakers who are experts in the field of midwifery, health care, nursing education and research. This conference is designed to show case innovative ideas and best practices that forms the base for the evidence based approach in maternal and newborn care.

### Conference Themes

- Midwifery led care units: Indian scenario
- Nurse Practitioner in midwifery (NPM) need for an hour
- Embracing innovations in midwifery
